1. Welcome to VC Media Group

Thanks for using our services (“Services”). The Services are provided by VC Media Group, a team operated under Quantra LLC, an independent privately-held company in the state of Texas.

By using our Services, you (“You”) are agreeing to these Terms of Service (“Terms”). Please read them carefully.

2. Using our Services

You must follow any policies made available to you within the Services.

Using our Services does not give you ownership of any intellectual property rights in our Services or the content you access. You may not use content from our Services unless you obtain permission from its owner or are otherwise permitted by law. These Terms do not grant you the right to use any branding or logos used in our Services. Don’t remove, obscure, or alter any legal notices displayed in or along with our Services.

Our Services display some content that is not ours. This content is the sole responsibility of the entity that makes it available. We may review content to determine whether it is illegal or violates our policies, and we may remove or refuse to display content that we reasonably believe violates our policies or the law. But that does not necessarily mean that we review content, so please don’t assume that we do.

Don’t misuse our Services. For example, don’t interfere with our Services or try to access them using a method other than the interface and the instructions that we provide. You may use our Services only as permitted by law. We may suspend or stop providing our Services to you if you do not comply with our terms or policies or if we are investigating suspected misconduct.

In connection with your use of the Services, we may send you service announcements, administrative messages, and other information. You may opt out of some of those communications.

Some of our Services are available on mobile devices. Do not use such Services in a way that distracts you and prevents you from obeying traffic or safety laws.

Though, we cannot guarantee search engine ranking results, specific placement or media usage of your press releases. Should you have concerns related to the performance of your press release, please contact us.

We may add or remove functionalities or features, and we may suspend or stop a Service altogether. We may also stop providing Services to you, or add or create new limits to our Services at any time.

You can stop using our Services at any time, although we'll be sorry to see you go.

8. Content Syndication

Our Services are also designed to help you find news information that resides also on sites not owned or controlled by us. When you select a story, you will be linked to the news site on which that story appears. We own and retain all intellectual property rights to the Service; but we do not claim ownership rights to the original news stories, which are instead held by the sites to which the Service links.

The Links may be protected by copyright, trademark or other proprietary rights of us and/or third-party content providers (“Publishers”). You may not license, sublicense, sell, assign, transfer any of the Links provided without the express permission of the rights owner. You agree that you will at all times conspicuously designate the Publisher as the source of the news content.

The Links may contain a link to the original Publisher’s website via an intermediate link through our website. You may not delete, disable, modify or hide this intermediate link and/or the code that we provide to you when using some of our Services which generates the Links or any of the Links, in whole or part.

We reserve the right to modify the presentation of the Links at its sole discretion, including but not limited to changing the look and/or format of the Links and inserting advertising and/or press releases with the Links.

The Links do not constitute any endorsements by us or affiliates of any third-party site or any materials contained therein. We do not control and are not responsible for the availability or accuracy of such third-party sites or any information, content, products or services accessible from such third-party sites.

The Links may not be used on any sites that we determine to be unsuitable for any reasons that include but are not limited to those that: (a) promote discrimination based on race, sex, religion, nationality, disability, sexual orientation or age, (b) modify the names of the Publishers or fail to give proper source attribution without Publisher’s permission, (c) violate intellectual property rights.

If you are a Publisher and you do not want your content syndicated, indexed or linked to by ua, please contact us and such Links may be removed on a case by case basis.
